Notable Area Sporting Events

York County is no stranger to hosting major sporting events. Below is a selection of events we have hosted in the past — trust us with **your** next event.

NSA Girls World Series Cherry Park

Since 1989 over 3,500 softball teams have competed in the National Softball Association's Girls World Series at Cherry Park and other parks throughout York County in both slow and fast pitch softball, making it one of the largest national tournaments of each season.

U.S. Disc Golf Championship Winthrop University Gold Disc Golf Course

Borrowing ideas from the traditional game of golf, Harold Duvall and Jonathan Poole began planning an event that would shape the future of disc golf's competitive scene. From those plans has grown the United States Disc Golf Championship. Through its unique structure, highly acclaimed course, and distinct qualifying procedure, the Championship has successfully established itself as one of disc golf's most prestigious events in the country.

Citgo Bassmaster Classic Lake Wylie

The 2004 CITGO Bassmaster Classic was held at Lake Wylie, located in York County, SC. This event is the championship of bass fishing as the best anglers in the world compete for the title. As ESPN cameras descended upon the lake area, the environment was set for a great weekend of action. The product of a partnership between the Carolinas, this event will remain in the memories of all those in attendance.

Shrine Bowl District 3 Stadium

The Shrine Bowl was held at District 3 Stadium located in Rock Hill, SC from 2001-2003. The best athletes in North and South Carolina compete on the gridiron for bragging rights in this age-old interstate rivalry. However, the cause of raising money for the Shriners Hospital for Children far exceeds the competition on the field.

Rock Hill Bike Club Spring Omnium York County, SC

The Rock Hill Spring Bicycle Races have been held in early April since 1980 making the Spring Races the longest continuously held bicycle race in South Carolina. High quality racing, competent organization and an expanding race format (now a 3-day Omnium) have made the RHBC races a fixture on USA Cycling's racing calendar. Over 500 racers now compete throughout York County in this exciting, truly international event.

Manchester Cup Invitational Manchester Meadows Soccer Complex

The Manchester Cup showcases the top college soccer teams in the South. It is played each year at the new Manchester Meadows Soccer Complex and is hosted by Winthrop University and the Rock Hill Parks, Recreation and Tourism Department. All collegiate teams participating must be either ranked regionally or nationally or have played in the NCAA College Cup over a previous two year period assuring soccer fans of quality competition each year. The Cup has 10 college teams and 4 high school teams

competing each year. There are a total of 12 games played throughout the day.
