

# 2017 FBU Top Gun STAY-TO-PLAY Waiver

### Stay-to-Play

FBU has implemented a Stay-to-Play policy to support our goal of hosting a premier sporting tournament with the best possible experience for all participants. Visit York County Housing Bureau is serving as our Housing Partner, who along with FBU, strives to provide our athletes and families with clean, safe and cost effective lodging options that are within close proximity to South Pointe High School.

### Stay-to-Play Policy:

FBU has initiated a Stay-to-Play policy that requires all participants to stay in one of our selected hotels to be eligible to participate in the FBU Top Gun Camp. Parents and coaches are responsible to make sure their athletes comply with the policy and FBU reserves the right to audit rooming list for violations.

### Waiver

This Stay-to-Play waiver is only for local participants who can travel to the camp facility from their home on a daily basis. FBU has established that 90 miles is a reasonable distance that will allow participants to drive to the venue without staying at our team hotels. This distance is measured by the driving distance between South Pointe High School, 801 Neely Road, Rock Hill, SC 29730 and your home address. Please note you are still eligible to stay at these hotels if you desire to be closer to the venue. If you are requesting a waiver for other reasons, please provide an explanation below.

The following FBU Top Gun participant has elected to commute to the camp based on the qualifications listed above.
