FOR IMMEDIATE RELEASE

Rock Hill/York County Convention & Visitors Bureau co-host national dance finals

York County tourism leaders partner with USA Dance Championships and America's National Dance Championships to host competitions over the final two weekends in June

ROCK HILL, SC – June 16 – 18, the USA Dance Championships will host the 11th season of its [Boogie Fever Dance National Finals](#) in Rock Hill, SC at South Pointe High School (801 Neely Rd., Rock Hill, SC 29730). The following weekend on June 21 – 25, the 17th season of [Dance Machine's America's National Dance Championships](#) will also be held at South Pointe High School. Collectively, both dance competitions are expected to bring in over 3,000 visitors to York County, SC.

Starting on June 16 hundreds of dancers and their families will “groove” their way onto the South Pointe High School stage for the Boogie Fever Dance National finals. The three-day competition is designed to make the Recreational Dancer feel good about what they can accomplish, yet challenge the Competitive Dancer.

Following the Boogie Fever Dance finals, the Dance Machine America's National Dance Championships will host its finals on June 21 – 25 also at South Pointe High School. Hundreds of dancers and their families will be in Rock Hill for this competition, which will bring the best possible competition and convention experience for each dancer, parent and teacher.

“Hosting events such as these national dance competitions help us to showcase the variety of meetings that York County can hold on a national level,” says Andy Clinton, group/sports market specialist for the [Rock Hill/York County CVB](#). “Working with partners like Rock Hill Schools that have top facilities, allows us to bring these quality events to the area.”

Both competitions pride themselves on making the experience fair and enjoyable for the dancer, teacher and parent.

The event is open to spectators.

[Dance Machine Productions](#) began as Footsteps dance Competitions and held one small competition in 2001. In 2002 Footsteps Dance Competitions became Dance Machine Productions holding regional competitions and workshops across the southeast...now expanding to hold events across the United States. Dance Machine Productions operates America's National Dance Championships (ANDC) our flagship competition that also produces our Gear-Up Conventions and Boogie Fever USA Dance Championships.
