The two-event national showcase will host nearly 1,500 athletes at South Pointe High School

ROCK HILL, SC – On July 14 – 20, the Football University (FBU) Top Gun Showcase will take over South Pointe High School for its annual two-event national showcase. The Top Gun camp is the largest national showcase event in the U.S. that features some of the best middle and high school athletes in an intense position-specific test of technical skill and football ability. The high school showcase will take place July 14 – 16, kicking/punting/long snapping July 14 – 15 and the middle school showcase July 18 – 20.

The July showcase will be the first time that the FBU Top Gun camp has been held in Rock Hill, SC, also known as Football City USA. During the seven-day showcase, approximately 1,500 of the most talented and technically-sound athletes from across the country will meet at South Pointe High School to gain maximum exposure, which will include writing reports, profile creations, and the scouting of all 2017 – 2020 athletes on hand.

“Football City USA is the perfect location to host both an event of this magnitude and the massive amount of talent that Top Gun features every year,” says Doug Berman, chairman of All American Games.
