

Journalist’s Request for Research Trip

Thank you for your interest in traveling to York County, South Carolina! The Communications team at the Rock Hill/York County Convention & Visitors Bureau is always available to assist journalists who are researching and developing media coverage for print, online and broadcast outlets.

You can begin your research by viewing the resource [[Facts About York County, SC](#)] – [hyperlink document](#)

To provide the highest quality service to writers on assignment, we require all journalists to complete the form below in its entirety and return to the Rock Hill/York County CVB **at least six weeks prior to the date of the trip**. You can download and email to (sburris@visityorkcounty.com) or fax the form to Communications at 803-329-0145. If the form is incomplete or is not received in a timely manner, the level of support can be compromised.

Note that a firm letter of assignment is mandatory and a copy of the letter of assignment should be returned with the request form.

The Rock Hill/York County CVB typically does not provide airfare or rental car, but does work closely with travel and tourism partners in South Carolina on lodging, meals, tee times and admission to attractions. All services not provided by partners can become the responsibility of the journalist. Further, gratuities for meals, tours and other services are not covered by SCPRT and are the responsibility of the journalist.

Please allow the Rock Hill/York County CVB 1-2 weeks to respond to your request.

Thank you for your patience and understanding!

Sonja R. Burris
