On April 21-22, the [2018 Rival Camp Series](#) is coming to York County, SC! Presented by Rivals.com, Next College Student Athlete (NCSA), and Adidas, the Rivals Camp Series gives high school football players the chance to showcase their skills and build a free verified NCSA/Rivals profile to use in their college recruiting. Rivals Camp Series will take place at Nation Ford High School in Fort Mill, SC. Registration will begin at 8:30 a.m. and close at 1:00 p.m.

With the amount of local athletes that have made it to the NFL, York County is a great fit for the Rivals Adizero Combine and Rivals 3 Stripe Camp. Andy Clinton, VP of Destination Services for the [Rock Hill/York County Convention & Visitors Bureau \(CVB\)](#) says, “We are glad to be a part of the Rivals Camp Series and their efforts to reach more student athletes in 2018.” “There’s a lot of talent here in York County, SC and we’re glad to host this event and provide a platform to showcase some great talent.” The CVB is a partner and co-host for this event and will provide marketing assistance, as well as on-site support.

On April 21, the free Rivals Adizero Combine will utilize precision physical measurement and training equipment across a series of drills to assess each athlete's skill and fitness levels. Throughout the day, expert coaches and trainers will be available to instruct athletes on how to improve their performance and skills. Events are open to all high school players, but are geared towards freshmen, sophomores, and juniors.

The top performers at the Rivals Adizero Combine on April 21 could get an opportunity to participate in the Rivals 3 Stripe Camp the following day. Players attending Rivals 3 Stripe Camps, which are considered the premier events in the country, receive instruction from top former NFL and college players and coaches then compete one-on-one. Players who have attended Rivals camps include the Who’s Who in the football world - from current NFL players [Jalen Ramsey](#), [DeShaun Watson](#) and [Adoree Jackson](#) to soon-to-be drafted UCLA quarterback [Josh Rosen](#), Heisman Trophy winner [Lamar Jackson](#), Penn State running back [Saquon Barkley](#) and [Minkah Fitzpatrick](#) of Alabama.

Athletes will be tested on the 40 –yard dash, shuttle run, vertical jump, 3-cone drill, and broad jump. Results will be sent through email after the event. Athletes can also stop by the NCSA tent at any time to learn how they can leverage their combine statistics and experience to gain interest from college coaches. Athletes should be dressed in athletic apparel, and cleats (no track cleats are allowed). An adidas shirt and Gatorade hydration will be provided.

Attendance is limited and spots will be awarded on a first-registered, first-served basis. Those interested in attending are encouraged to register immediately, as these events historically have reached capacity quickly. Registration information and forms can be found at rivalsadizerocombines.com
