

PLEASE BE ADVISED OF OUR CALENDAR POLICY:

The goal of the York County calendar of events, produced by Visit York County, is to highlight events in the York County area pertinent to travel and tourism. All events must be of interest to and open to the general public. Only events submitted with contact information (phone number and/or website address) will be considered. The calendar is not an inclusive listing of events, nor is it intended to highlight partner properties only. Event submissions may be submitted for consideration only and are subject to be declined. However, all appropriate event submissions will be listed in the online calendar of events located at www.visitorkcounty.com (see online calendar guidelines below). Event submissions are open to all hospitality partners in the York County region with the main goal to inform our visitors of the many things to do while they are in York County.
